

JACK HUNT SCHOOL

PROM SPECIAL

YEAR 13

July 2009

The Leavers Ball held on 16 July 2009, exactly a month after the end of the Year 13 Exams, a highly anticipated night for all the students and staff, turned out to be as wonderful as everyone hoped it would be. It was the perfect way to mark the end of a stressful period of exams, and also a great celebration of seven years of hard work at Jack Hunt School.

Over 120 students and staff attended the ball which was held at The Park Inn and all enjoyed the wonderful atmosphere. After a delicious three course meal, guests danced the night away to excellent music until 2am, all captured by an on site professional photographer.

The girls looked stunning in their fabulous dresses and the boys very dapper. Ed White decided he definitely wanted to stand out from the crowd in his luminous suit, which matched his bright personality perfectly.

Leena Pankhania decided that one dress was definitely not enough and booked a room to enable her to change into at least four different dresses throughout the evening!

The Leavers Ball was also a farewell to the Year 13s who left to embark on different adventures far and wide and a few tears were shed at the end of the evening. Manny Van Niekerk celebrated his 18th Birthday on the stroke of midnight and flew off for a gap year in South Africa.

Congratulations to the Prom Committee, for arranging such a fantastic event, especially Leena Pankhania in particular, the little extra touches such as individual thank you notes and commemorative photos, made the evening very special.
